

# KAIRIN UNESCO ASSOCIATION

## MESSAGE

KAIRIN UNESCO ASSOCIATION, founded sympathetic to UNESCO of philosophy in January 2001, was a member of the Foundation for the National Federation of UNESCO Associations in Japan. Headquarters of UNESCO (UNESCO = United Nations Educational, Scientific and Cultural Organization) is located in Paris.

The association "since it is those born in the war of the human mind, must be constructed a fortress of peace in the minds of people" say on the basis of the fundamental principles of UNESCO, human security (Human Security) the listed, the implementation of a variety of activities and events, we have a sponsorship.

In addition, in recent years, ESD: commitment to the (Education for Sustainable Development Education for Sustainable Development), through the international understanding of such diversity and poverty of environmental issues and energy issues, life, expand the learning of field activities we went to aggressively.

## THE MAIN ACTIVITIES

### 1. World Terakoya Movement (Spoiled postcard collection)

In KAIRIN UNESCO ASSOCIATION, as part of the World Terakoya Movement, we are focusing on the recovery activities of spoiled postcards. Gathered Spoiled postcards, people who suffer from illiteracy around the world, use it to help the learning environment maintenance children who do not receive an education (elementary school construction and teacher training). If you have your hand on the Spoiled postcards, please send us to our association.

### 2. Attempts to ring the Peace Bell movement

Order to continue to rally to a large force of the prayers and wishes for peace, let me tell a bell by the cooperation of such local temple every year in August, the children the importance of peace while reading my peace declaration, the event that get to think about the preciousness.

~ My peace declaration ~

1. "We cherish the lives of all the people."
2. "Any violence will not forgive."
3. "Have the compassion of the heart, we help each other."
4. "Consider the perspective of the other party."
5. "You protect the irreplaceable global environment."
6. "Everyone lets you adjust the power."

### 3. KAIRIN UNESCO ASSOCIATION Cup dodge ball tournament

KAIRIN UNESCO ASSOCIATION organized, celebrated its 25th year this year. Year after year to expand the scale, also welcomed the participating teams from the Tohoku and Fukushima in addition to Tokyo and six prefectures Kanto, it is now divided into two venues of the Arena Tanuma and Sano City Sports Park on the Sano in each league, the participation of about 2000 people there is. Which team is also working hard aiming to work together victory.

### 4. Poem, fairy tales, essays, picture letter Award

We conduct a contest for each of the poem, fairy tales, essays, picture letter. UNESCO is also that you are involved in education, culture, welfare and science, invites applicants from desire if we create opportunities to create the future of our children, we recognize excellent work.

### 5. UNESCO World Philosophy Day

The third Thursday of every November is UNESCO World Philosophy Day. KAIRIN UNESCO ASSOCIATION has Memorial Meeting of World Philosophy Day every year.

### 6. Great East Japan Earthquake, Kumamoto Earthquake, Great, Nepal Earthquake Reconstruction support for affected areas

We continue to actively conduct fundraising activities at various events we sponsor and sponsor, and we send support funds from time to time. We also donated stationery to SHREE, VRIKUTI, SECONDARY, and SCHOOL schools in Nepal, and our association's Panday Sapana members handed them out on site.

We planted saplings of Hiroshima City's atomic bombed Aogiri II, which were donated to our association, in Ashikaga Park, Ashikaga City.
